MEMORABLE & *Unexpected*

WELCOME TO BOO CAT CLUB, a series of contemporary spaces set inside a historic touchstone. The structure is your canvas—from the cool elegance of the skylit Ballroom, to the red velvet lushness of the Theater. Our Mezzanine galleries provide musical opportunities, space for conversation or grand gestures of fancy. Then be wowed by our surprise downstairs—the Catacombs. The intention is obvious with the Ballroom and Theater, but no one knows just for what the Catacombs were created. However you imagine, it's the perfect space for a candlelit ceremony or raucous feast. It also makes for the swankiest nightclub in town, the place where, at 10:30pm, someone announces “*Everyone downstairs for dinner and dancing!*” and the vibe is as intoxicating as the music and the lighting.

WELCOME TO THE PARTY.
